Our Program

Little Lambs Preschool is a Christian based program dedicated to caring for and educating children.

Our program consists of our Littlest Lambs Classes (2 years of age), Three Year Old Classes, and Four Year Old Classes.

At Little Lambs Preschool all of our classes are taught age appropriate developmental skills which foster mental, physical and spiritual growth.

All of our classrooms are equipped with various books, toys and other resources to enrich each child's learning experience.

Chapel is held once each week for the school. We offer a wide variety of specialty classes including science, music and art.

Our students also have the opportunity to participate in various field trips and to use our school library weekly.

Our Staff

Little Lambs Preschool is blessed with a dedicated staff who have passed background checks and have CPR certification.

Various church congregational members volunteer their time and talents at Little Lambs Preschool.

Our Preschool Committee helps to make sure our program is running smoothly all year long!
