

OCTOBER 2017

Director's Report

"The earth has yielded its harvest; God, our God, blesses us" Psalm 67:7

God has blessed us with cooler mornings as we venture forward to enjoy the season of Autumn! We spent the first few weeks of school getting to know one another, learning new routines and had a wonderful time at Farm Day! Thanks to all of our many volunteers who helped make this Farm Day the best one ever!

I would like to introduce you to Ms. Linda Hooper who is our Parent Liason this year at Little Lambs Preschool. She is mom to Russell (4) and John (2) and I am sure you will see her around the school helping us with many things! She has started a Parent Only Facebook Page so be sure to join! A few things you can do to help our school! Link your Ingles Card to Little Lambs and bring us your used ink cartridge! THANK YOU!
