

OCTOBER 2021

Director's Report

"The earth has yielded its harvest; God, our God, blesses us" Psalm 67:7
We embrace the season of Autumn and the cooler temperatures as we enter into the month of October! The children have settled into their morning routines easily and we all are enjoying getting to know one another! We had a wonderful time at Farm Day and again a special Thanks to all of our many volunteers who helped make this Farm Day fun for all!

Remember to recycle your used ink cartridges with Little Lambs! We earn reward dollars at Staples for each ink cartridge which greatly benefit our school! Also, keep using your Ingles cards when you shop at Ingles! If you need one or haven't linked your card with Little Lambs, see me for assistance! THANK YOU!! Gina
