- Intellectual Development

"Let the little children come to me."
Matthew 19:14

That number represents over one thousand two-, three-, and four-year-old children in the Seneca area whose lives have been enriched through a Christ-centered education that fosters academic, social, emotional, and spiritual growth over the past 25 years.

Mentoring Moms

Little Lambs Preschool is committed to supporting the entire family. We serve a socioeconomically diverse population. Moms, grandmothers, and other family members are invited monthly for coffee, conversation, and Christian fellowship. Fathers enjoy Donuts with Dads too.

That's the number of lives in the Seneca, SC area that have been impacted by Little Lambs Preschool. Parents, siblings, grandparents, and other family members are an important part of our school community. They volunteer by reading in the classroom, reinforcing learning through take-home activities and Christian literature, and participating in school events throughout the year.

Through these meaningful connections, Little Lambs Preschool reaches far beyond the classroom, building strong families, nurturing faith, encouraging lifelong relationships rooted in Christian values, inspiring service to others, and making a lasting, Christ-centered impact throughout the Seneca community.

We C.A.R.E.

The Compassionate Assistance Response Effort (C.A.R.E.) was established in August 2024 to provide temporary tuition assistance for Little Lambs Preschool students whose families are experiencing catastrophic or life-altering circumstances.

Families may face significant financial hardship due to events such as a cancer diagnosis, fire, natural disaster, divorce, or the death of a loved one.

These situations can result in a substantial loss of income or unexpected expenses, making it difficult to afford preschool tuition.

Through the C.A.R.E. Fund, Little Lambs Preschool is able to offer compassionate financial support, allowing students to remain in a loving, Christ-centered learning environment during a challenging time.

That's the number of annual volunteer hours that form a critical part of our success. The Preschool Board works diligently to oversee, plan, and support the school's mission. Many dedicated volunteers join us throughout the year to help make our events and classroom activities a success. Their commitment and generosity strengthen our preschool community and help us continue serving local families.
